The Reason Why: The reason behind this application process is that Carlisle Blues Rock Festival strives to avoid its customers paying the heavy, often unnecessary, booking and administration fees which are imposed by ticketing companies, some of which charge in excess of 10%. That kind of charge on Package Deals would amount to a considerable addition to the cost of the weekend. We prefer that, at this festival, customers get full value for money with additional costs to them kept to an absolute minimum. What you see is what you get.

It is highly likely that the limited allocation of rooms (66 in total) at The Crown & Mitre will be over-subscribed; this system will prevent a large number of unnecessary payments being made with all having to be returned to senders.

Applications will be processed on a first come first served basis and will be done as fairly as possible. Successful applicants, as well as non-successful, will be notified as soon as possible by email or telephone.

**SUCCESSFUL APPLICANTS WILL RECEIVE A BOOKING FORM WITH PAYMENT DETAILS SOON AFTER NOTIFICATION.**
